AMPLIFIERS

Randall RF8 User's Manual

The Randall RF8 MIDI footswitch is an 8 button MIDI controller that can work with a variety of amplifiers and other MIDI devices. The RF8 can be configured to send MIDI program change messages, continuous controller messages or both.

Connecting to your amp or other MIDI device:

The RF8 has a 7-pin MIDI connector, but you can use either a standard 5-pin or 7-pin MIDI cable to connect to your MIDI device, whichever matches the connector on the device. Either type of cable will work with the RF8.

Powering the RF8:

If your MIDI device provides phantom power over pins 1 and 3 or pins 6 and 7 of the MIDI connection, it will power the RF8. If your MIDI device doesn't provide phantom power, you can power the RF8 with an AC adapter. The RF8 accepts 9 to 12 volts, AC or DC and draws 100mA.

RF8 Connector:

Settings:

The RF8 can work in a variety of different modes. The RF8's mode determines how many of the RF8's buttons send program change messages and how many send continuous controller messages.

There are four switches on the rear of the RF8 that control the mode. Moving a switch up turns it on and moving it down turns it off. The different switch combinations – and the MIDI messages they send – are as follows:

SWITCHES			
1	2	3	4
off	off	off	off
ON	off	off	off
off	ON	off	off
ON	ON	off	off
off	off	ON	off
ON	off	ON	off
off	ON	ON	off
ON	ON	ON	off
off	off	off	ON
ON	off	off	ON
off	ON	off	ON
ON	ON	off	ON
off	off	ON	ON
ON	off	ON	ON
off	ON	ON	ON
ON	ON	ON	ON

PC 0	PC 1	PC 2	PC 3	CC84	CC85	CC86	CC87
PC 0	PC 1	PC 2	PC 3	PC 4	CC85	CC86	CC87
PC 0	PC 1	PC 2	PC 3	PC 4	PC 5	CC86	CC87
PC 0	PC 1	PC 2	PC 3	PC 4	PC 5	PC 6	CC87
PC 0	PC 1	PC 2	PC 3	PC 4	PC 5	PC 6	PC 7

Shaded cells indicate grouped buttons – only one grouped button can be activated at a time. Pressing one grouped button will turn off any other grouped button that was previously turned on. Grouped buttons are typically used to control things like amplifier channels, where it's only possible to have one turned on at a time.

Which mode you need depends on the MIDI device(s) you're using. A few example settings are as follows:

1	2	3	4
ON	ON	ON	ON

Acts as an 8 preset MIDI controller
Works with most MIDI devices

1	2	3	4
ON	off	ON	ON

Randall 667 Default.

Randall Warranty

Randall Amplifiers, a Division of U.S. Music Corporation warrants the product you have purchased to be free of defects in materials and workmanship in normal use for a period of two (2) years from the date of original purchase. This warranty shall run to the original purchaser when purchased from an Authorized Randall Dealer. The manufacturer warrants speakers for a period of (1) years. The manufacturer warrants tubes for a period of (90) days. Defective parts found during the applicable warranty period with proof of purchase will be replaced or repaired without charge if the complete product is returned to US Music Corp or any Authorized Randall Service Center within the U.S.A. Randall reserves the right to use materials readily available at the time of the repair. All Warranty service requires Proof of Purchase (sales receipt) to be presented at time of service request. Any repair or service performed by any person of entity other than an Authorized Service Center is not covered by this limited warranty. The customer pays transportation to and from Randall factory service or any Randall Authorized Service Center. Rental stock is warranted for (1) year from date of invoice to the Authorized dealer. Warranty on rental units is not transferable.

What is covered against manufacturing defects: Parts and Labor to correct any defect in materials used and any defect attributable to workmanship.

What is not covered:

Shipping Damage. Report damage upon receipt of item to the carrier (i.e. UPS). Freight carrier must be notified upon receipt of items to insure freight damage claim resolution. Shipping damage not filed with carriers within (48) hrs upon receipt will not be covered under warranty. Report any shipping damage within (48) hrs of receipt to the Randall Customer Service Dept at 1-847-949-0444, ext. 5120. Keep all original documents and packing materials to insure freight damage claim resolution. Merchandise that has been modified after original shipment from the Randall factory. Products whose serial numbers have been altered or removed. Exterior normal wear and tear damage to the finish due to misuse, operation outside the specified ratings, neglect or accident. Warranty claims by anyone other than the original purchaser. Randall is not responsible for any items left in protective covers or cases, (We strongly advise that all personal items such as chords, cables, tuners, etc... be removed!) freight charges to and from the factory or an Authorized service center on customer owned goods, any and all charges incurred from priority service requests (Rush Service) or priority shipping for replacement parts. Any and all charges if no problem is found.

Return Authorization All items being returned for any reason must have a Return Authorization number. This RA# must be placed on the outside of the carton of the item being returned or the carton will be refused upon delivery. Please call the customer service department at 1-800-877-6863, ext. 5120, for the return authorization number. Dealer stock items will be returned to the dealer freight prepaid.

An Authorized Warranty Service Center must perform any and all field warranty service work. Customer will not pay for parts and/or labor provided the problem found is within warranty guidelines. Proof of purchase must be provided at the time of service request. Transportation charges to and from the Authorized Warranty Service Center are the responsibility of the customer. Rush service charges and special freight charges for required parts are not covered under warranty and are also the responsibility of the customer. If a unit is not easily transported to an authorized service center, the customer is responsible for technician travel charges. Any charges for labor or processing when no problem is found are also not covered under warranty. Any charges incurred for work performed by an unauthorized service center are the responsibility of the customer.

Warranty terms may vary per country, check warranty terms with local Distributor or at point of purchase.
